Dear Judith Fyfe

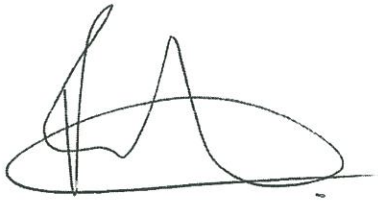
Authorisation for security charge over property

Legal aid number:	16750334
Your client:	Shane James Davies
Charge over property:	61 Albert Street Masterton 5810

We wrote to you recently about the need for your client to sign an authorisation letter allowing us to place a statutory land charge over their property. We still have not received this letter.

Please arrange for your client to sign the authorisation letter and send it to us within 5 working days. Otherwise, please provide a written explanation stating why your client cannot meet this condition.

Yours sincerely



Robert Ives
